Call for Committee Volunteers

The PENS Board of Directors is looking for volunteers for its committees and task forces. The activities of the committees are driven by specific charges from the Board of Directors. Committee and task force members' duties include participating in three to four conference calls each year. If you are interested in contributing your skills and are an active member in good standing, please fill out the information below.

Name _____ Date _____

Preferred Address _____

City/State/Zip _____ Home Phone _____

Title/Position _____ Institution _____

Phone _____ Fax _____

Please indicate the committee or task force on which you would like to serve:

- Research Committee - The Research Committee administers the PENS Research Grant Program and reviews research poster abstracts for the PENS conference program. Members participate in 4-6 conference calls a year.
- Special Teams - A pool of volunteers who will be asked to serve on task forces as they are established by the Board throughout the year. A task force member's duties include participating in 3-4 conference calls each year.
- Membership Task Force
- Advocacy Task Force
