Communication between the Board and Committee

The Chair of the Research Committee submits reports to the Board on behalf of the committee twice a year (prior to the fall Board meeting [usually held in September/October], and prior to the pre-conference Board meeting held at conference). The committee also communicates to the Board when it has a proposal or request that requires Board approval.

The Board, its president or his/her designee, communicates with the committee through the committee chair or Board Liaison. The president is an ex-officio member of the committee and may participate on committee conference calls. The committee chair may be invited to participate on a Board conference call or at a meeting as needed.

Appointment of Committee Members and Term of Appointment

- The committee year runs from conference to conference of each year
- A call for volunteers is distributed to the membership prior to and at the annual conference
- Members of the committee must submit a call for volunteers to the committee every year if they want to remain on the committee
- Members of the committee can continue until their PENS membership lapses, they elect to remove themselves from the committee, or they fail to participate in committee activities
- The number of committee members shall be at the discretion of the Chair
- The term of Grant Director is two years. A Grant Director may be re-appointed if willing to serve and the expectations of the committee and the Board were met during recent term as Grant Director

Appointment of Committee Chair and Term of Appointment

- The term of Chair is two years and runs from conference to conference of each year
- A Call for a Committee Intent to Chair is sent to the committee to identify volunteers; all volunteers are considered by the committee and a recommendation is made to the board for appointment
